## EVERLASTING REFRESHMENT

**But when the kindness and the love of God our Savior toward man appeared, not by works of righteousness which we have done, but according to His mercy He saved us, through the washing of regeneration and renewing of the Holy Spirit, whom He poured out on us abundantly through Jesus Christ our Savior, that having been justified by His grace we should become heirs according to the hope of eternal life.**

*Titus 3: 4-7 (NKJV)*

There's nothing quite like a cool dip in the pool on a sweltering hot day at camp. After running, bouncing, relaying and jumping all over the camp property, the pool beckons and refreshes as the water washes the heat away and gives renewed vigor for the rest of the camp day.

Christ came to die for all of us, so that after being beaten around by this mean old scary world, we can come to have our sins washed away and be refreshed and regenerated by His grace. Praise God for His never ending love, which provides the only relief we need, and which lasts forever!

“A camper has left each day and before getting in his car, he screams at the top of his lungs that it was the best day ever!”

# RIVER VALLEY RANCH DAY CAMP

A camper who's afraid of heights was doing the climbing tower. He lacked confidence openly before the activity and during looked down then to say, "Oh man... I should not have done that." After the end of the activity, he made it about half way up one of them. He told his counselor Ms. Emma that he would not have been able to make it that far without her. He also said that he wanted to hit the button at the top when they'd do the activity again on Friday.

Another anxious/fearful event happened with a camper on the zipline, and he was able to overcome with the prayers and coaching of Ms. Emma.

A Day Camper, after his 3rd year at RVR Day Camp, said he enjoyed every minute of it. So much so that he wants to be an RVR camp counselor when he grows up. His parent said, "Thank you for being a wonderful place for my son to grow in faith and fellowship with your staff and fellow campers."
